REVIEWS

"I am convinced Milli Janatková creates works of art of an enduring value that deserve our support."

Milan Tesař, Proglas Radio, WMCE, Czech Radio Jazz, UNI Cultural Magazine

"An extraordinarily innovative artist who creates gems of songs that exceed songwriting with their incredible arrangement ideas. Solid folk, excellent lyrics, catchy songs with overtone singing and a distinctive percussive sound. Inner, meditative and passionate music. Milli's voice and music is very colourful with a deep immersion into human emotion. Her modesty and true genuineness is outstanding." Jazzport.cz, 2022

"Milli Janatková is a rare occurrence on our music scene. She has a remarkable number of talents and skills. Artistic, performer, musical and composer skills form the basis of her creative personality. And the nature of her work reflects this versatility. There is always something more to her music and more to her songs. Her work always reveals her respect for life, her self-awareness and self-development," said Jiří Plocek, musician and publicist

"Milli Janatková's work is extremely inspiring. But in this fast and busy time, one must stop and really listen to it to appreciate it. Watch how the music affects you, what images and thoughts it brings to mind. Let's quieten down, find peace and let Milli's music lead the way to a place of wellbeing. Each of her actions brings relief, faith and inner growth. And not only for Milli herself, but for her listeners, too. Experience it for yourself at one of her concerts." Folktime.cz, 2022
